Frequently Asked Questions (FAQs)

Q1: My Fella disc mower manual is missing. Where can I find a replacement?

A1: Contact your local Fella dealer first. They may have copies on file or be able to order one for you. Alternatively, check the Fella website; some manufacturers offer downloadable manuals online. You can also search online marketplaces like eBay or Amazon, but ensure the manual is for your specific model.

Q2: How often should I perform maintenance on my Fella disc mower?

A2: Your Fella disc mower manual will specify a recommended maintenance schedule. This will vary depending on the model and usage. Generally, regular checks of oil levels, blade sharpness, and component condition are essential before every use. More thorough maintenance, such as lubrication and inspection of belts and bearings, should be done at specified intervals outlined in your manual.

Q3: What should I do if I encounter a problem with my Fella disc mower?

A3: Refer to the troubleshooting section of your Fella disc mower manual. This section will guide you through common issues and provide solutions. If you cannot resolve the problem yourself, contact your local Fella dealer or a qualified mechanic.

Q4: Are all Fella disc mower manuals the same?

A4: No, Fella disc mower manuals vary significantly depending on the specific model of the mower. Each model has its unique features, specifications, and maintenance requirements. Using the wrong manual could lead to incorrect operation or potentially damage the machine. Always ensure you're using the manual specifically designed for your mower's model and serial number.

Q5: Can I find online videos to help me understand my Fella disc mower manual?

A5: While Fella may not have official videos for every manual detail, searching YouTube or other video platforms for tutorials on similar disc mower models can be helpful. However, always prioritize the information within your specific Fella disc mower manual as the most accurate and reliable guide.

Q6: My Fella disc mower blades are dull. How do I sharpen them?

A6: Your Fella disc mower manual will provide specific instructions on how to safely sharpen the blades. This often involves removing the blades, using a specialized sharpening tool, and ensuring they are correctly balanced after sharpening. Improper sharpening can lead to inefficient cutting and potential damage. If you are unsure, consult a professional.

Q7: How do I correctly adjust the cutting height on my Fella disc mower?

A7: The adjustment process varies depending on your specific Fella disc mower model. Consult your manual for detailed instructions and diagrams. This usually involves adjusting a lever or mechanism that controls the height of the cutter bar in relation to the ground.

Q8: What type of lubricant should I use for my Fella disc mower?

A8: Your Fella disc mower manual will specify the recommended type and grade of lubricant for various components. Using the wrong lubricant can damage the machine. Always adhere to the manufacturer's recommendations.
